Morgan Stanley MUFG Securities Appoints Daisuke Bito as Chairman

TOKYO - Morgan Stanley MUFG Securities Co., Ltd. (MSMS) today announced that Daisuke Bito has been appointed as Chairman of MSMS effective May 31, 2026. He will succeed Masato Miyachi who has served as Chairman since June 2022.

Mr. Bito is currently a Managing Executive Officer at MUFG Bank, Ltd. After joining the former Mitsubishi Bank Ltd. in 1992, he held a range of senior positions across the bank's international operations, including assignments in Asia and the Americas. Most recently, he served as Group Head of the Financial Solutions Group and Deputy Chief Executive of the Global Corporate & Investment Banking Business Unit.

"Mr. Bito brings to Morgan Stanley a deep understanding of global banking built over more than three decades, as well as valuable insights gained through leadership roles in both the United States and across the Asia-Pacific region," said Alberto Tamura, President and CEO of MSMS. "Amid an increasingly complex global environment Mr. Bito's experience will help us strengthen our franchise in Japan, including furthering the collaboration between Morgan Stanley and Mitsubishi UFJ Financial Group through its Japan JV entities."

"At the same time, I would like to express our sincere appreciation to Mr. Miyachi for his outstanding contribution to our Japanese securities joint venture. Since assuming the role of Chairman in 2022, he has played a vital role in supporting closer collaboration between the two firms and in guiding MSMS during an important period of development under Alliance 2.0, while also serving as a member of the Board of Morgan Stanley. We are grateful for his leadership, counsel and unwavering support over the past four years."
